Dear Friends,

While 2010 was another very challenging financial year for the Massachusetts Bar Foundation, we are grateful for all we were able to accomplish toward our mission of expanding access to critically needed legal aid programs in Massachusetts.

Despite the precipitous decline in IOLTA funding over the last several years, and thanks largely to the vision of prior Trustees in creating our Stabilization Fund for just such income fluctuations, the MBF was able to award grants of nearly \$4.5 million to support 140 legal aid programs at 97 nonprofit organizations across the state. This funding represented only an 11 percent decrease in funding from FY 2009. All in all, 95,000 low income clients were assisted in 2010 with the help of MBF funding.

We are proud of the resiliency of our nonprofit grantees. Most faced funding cuts from all sides and many were forced to make painful organizational changes, including lay-offs, to continue to provide the same high-quality service with fewer resources. We are inspired by their strength, leadership, and passion.

And, of course, it is our Fellows, our donors, and our volunteers who make our work possible. All of you inspire us to push forward with hope and enthusiasm through these extraordinarily difficult times. We are extremely grateful for your continued support and we are delighted to present you with the MBF's 2010 Annual Report.

Sincerely,

Joseph P. J. Vrabel, Esq.  
President
